

24/7/365 access to high-quality
and cost-effective
urgent care.

MD Live provides valuable urgent care telehealth services that keep your members out of more expensive, less convenient urgent care clinics and strained emergency departments for common issues. Each virtual urgent care visit that successfully diverts an emergency department visit may generate over \$2,000 in cost savings.¹

MD Live is

Proven

We deliver proven scale, outcomes, and affordability — and back it up with value-based care arrangements.

Patient driven

Our high-quality provider network, easy-to-use single platform, and consumer expertise create industry-leading patient satisfaction.

Innovative

We innovate where it matters to deliver best-in-class core virtual care solutions.

Virtual Urgent Care reduces costs

+ Approximately 20% of all ED visits could potentially be avoided via virtual urgent care offerings.³

+ An average MD Live Urgent Care visit reduces costs by \$290 for our clients.¹

+ MD Live Urgent Care visits are highly efficient, resulting in 16% less duplication of care when compared to other virtual PCPs and specialists.⁴

MD Live Urgent Care advantages

- + **MD Live provides care for more than 80 common medical conditions**, including allergies, cold and flu, COVID-19, pink eye, sinus problems, sore throat, UTI2, and medication refills.
- + **Patient satisfaction.** Our Net Promoter Score® has been 74+ annually since 2019.
- + **Fast service.** Our average wait time was under 9 minutes in 2023.
- + **Convenience. Our chatbot helps your members register for appointments 24/7/365** and guides them through a triage form. Their MD Live provider is made aware of their symptoms prior and can then diagnose, create a treatment plan, and prescribe appropriate medications more quickly — saving time for patient and provider.
- + **Our provider network is comprised of over 2,000 providers**, with over 7,500 licenses and an average of 15 years of experience with additional specialized ongoing clinical training in telehealth care. We adhere to all NCQA standards and guidelines.
- + **Our asynchronous E-Treatment option empowers patients** to get on-demand care for a number of low-acuity conditions without the need to talk to a doctor in real-time.
- + **MD Live solutions meet the highest standards of data and privacy protection.** Our secure platform is HiTrust certified, and all our telehealth services are HIPAA compliant.
- + **Contagion avoidance.** Members benefit from the safety and security of receiving treatment without exposure to viruses, germs, or other ill patients in an in-person setting.

MD Live believes in the power of providing impactful and innovative health care to improve lives. Let's work together to deliver on that promise to your members.
